

Community Schools & Family Engagement November Newsletter

Mobile Vision Clinic

Our Community Schools & Family Engagement team has established a new exciting partnership with the non profit organization, Serve the People. They are providing the opportunity for all of our Dale students to receive a FREE eye exam and FREE glasses if needed. The first mobile vision clinic will be taking place in January here at Dale Jr High!

What is Community Schools?

A Community School is a safe place at the heart of the community where students, staff, and families are connected and work together to expand the opportunities and address the needs of the whole child so that all students can thrive and realize their unlimited potential.

MACC Farm Donations

Through the collaboration we have formed with Magnolia High School's MACC Farm, we've received several donations of fresh vegetables that we have been able to provide to our Dale families. Thank you MACC Farm!

Community Schools Site Team

We continue to hold our monthly Community School Site team meeting where staff, students & parents participate in the ongoing implementation of Dale's community school goals and projects.

MEET OUR TEAM

Rene Covarrubias
Community Schools Coordinator
